- **EOR: External ocular health – New tab added on**

The screenshot shows a web interface for 'External Ocular Health'. At the top, there are navigation tabs: Patient History, Preliminary Test, Binocular Vision Test, Refraction, and External Ocular Health (highlighted with a red box). Below the tabs is a 'Contact Lenses' section. The main content area is divided into two sections: 'Lids/lashes' and 'Conjunctiva'. Each section has two columns for 'Right Eye' and 'Left Eye'. Under 'Lids/lashes', there are 'Result' text boxes and dropdown menus with 'Please Select' text. Under 'Conjunctiva', there are 'Result' text boxes.

- **EOR: General health, Internal ocular health, Contact lens - New Tabs added on**

The screenshot shows a web interface for 'General Health'. At the top, there are navigation tabs: Patient History, Preliminary Test, Binocular Vision Test, Refraction, External Ocular Health, General Health (highlighted with a red box), and Internal Ocular Health (highlighted with a red box). Below the tabs is a 'Contact Lenses' section (highlighted with a red box). The main content area includes 'Blood Pressure' and 'Blood Glucose' sections, each with a 'Result' text box. There is a 'Notes' section with a large text area. At the bottom, there is a 'Save Optom Record' button (highlighted with a red box).

- **EHR: Covid indicator added to EHR, warning added to display on account**

BUG FIXES:

- **Settings :** Creating new user and attending Dr is auto selected the system is duplicating
- **Patient Portal:** Error coming up when selecting a dr, unable to open practice calendar.

- **Movements:** Allocation rounding issue
- **Journal:** Allocation rounding issue
- **Account:** Validation added to stop ability to update account dependant duplicate
- **Account Statement:** Full statement – Payment amounts not reflecting on the statement. Statement amounts are not showing correctly
- **Dashboard:** Appointment notifications shows across all practices
