

**RELEASE NOTES**

**01 December 2021**

**What's new in Version: v3.3.16.4**

**ENHANCEMENTS:**

- **Settings: Address added in for Locations – Existing practice with locations, user is able to update locations and add on address details**

**Location address will display on statement**

A screenshot of a web form for adding or editing a location. The form contains the following fields: 'Location' (text input), 'Description' (dropdown menu with 'Please Select'), 'Address Line 1' (text input), 'Address Line 2' (text input), 'City' (text input), 'Post Code' (text input), and 'Province' (dropdown menu with 'Province'). At the bottom of the form are two buttons: 'Add New Location' and 'Go Back'.

- **Patient Search: Full patient search Report**

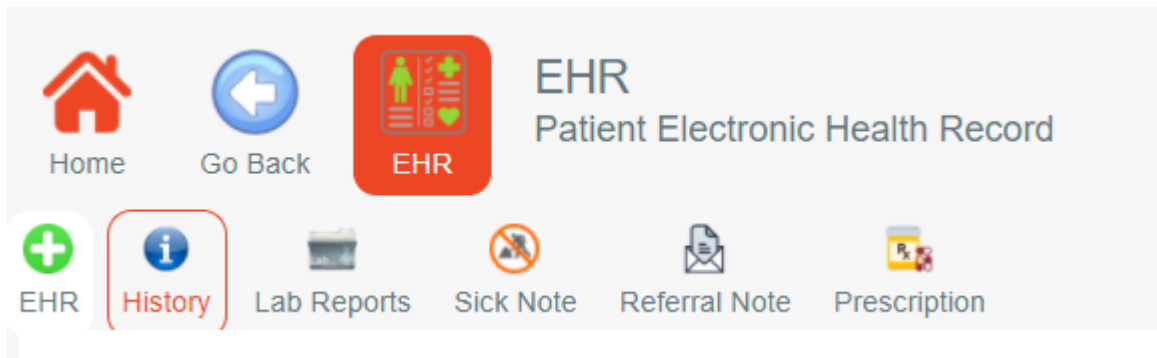

A screenshot of a patient search interface. It features a search bar with a magnifying glass icon and a plus sign for adding filters. Below the search bar are several input fields: 'Account Number', 'Filing Ref', 'First Name', 'ID Number', 'Surname', 'Membership Number', 'Scheme' (dropdown menu with 'Please Select'), and 'Address'. To the right of the 'Filing Ref' and 'ID Number' fields are checkboxes for 'Show Deleted' (with 'H') and 'View All' (with 'N'). At the bottom of the form are two buttons: 'Search' and 'Print'.

- **EHR: Allergies field added**

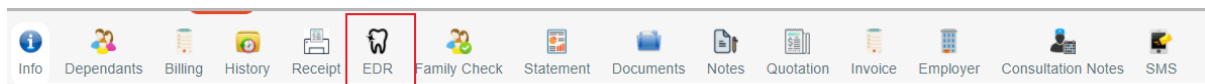

### Allergy Note

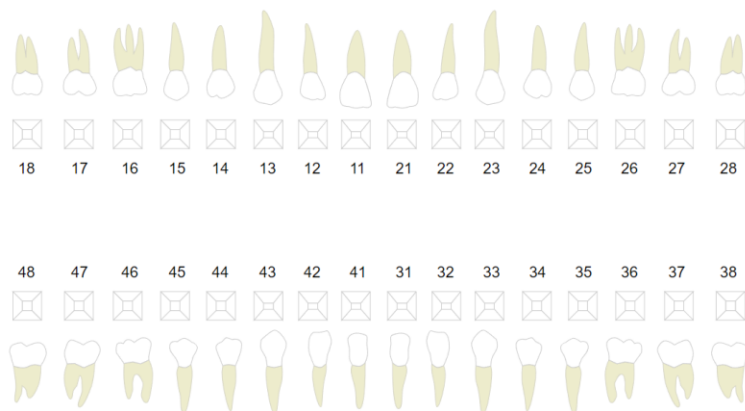

- **Account: Prescription, Referral letter, Sick note moved to EHR tab**

- **Account: New Electronic Dental Records**

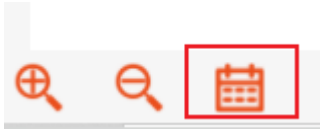

Odontogram

Save EDR

- **Statements: Font made bigger**
- **Statements: Group practice name will display on header**

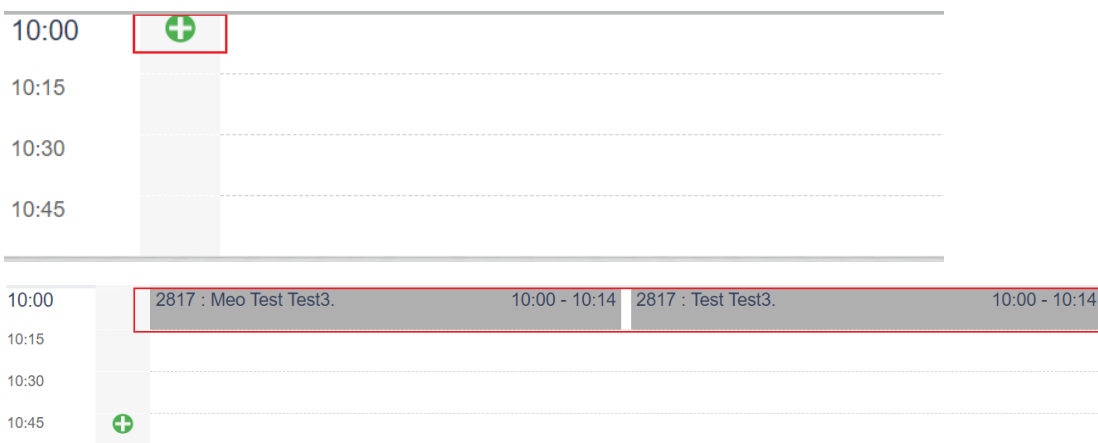

- **MEO: Calendar shortcut bottom left – Calendar will be accessible from all screens**

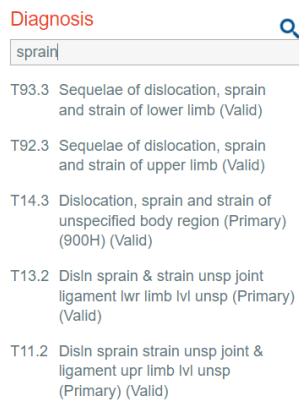

- **Calendar: Appointment status, font made bold and a white border added around to emphasise text**

- **Calendar: Added a new 'add' icon just after time. This will allow user to double book appointments**

- **Diagnosis Search: Advanced logic for search results – Eg 'Sprained Knee'**

**BUG FIXES:**

- **EHR: Create claim option to carry over DOS**
- **Script: Additional space added for NAPPI code**
- **Script: Problems saving, resolved**
- **Script Validation: Validation added on quantity and Duration – Number only**
- **Script E-Signature: E Signature overlapping on the second page**
- **Account: Duplication of contact details on main member when updating details on dependents**
- **Claim Statement: Statement not balancing correctly**
- **Templates: DOS not carrying over in loaded template, resolved**
- **Invoices: The print view on the invoices is capped at 10 line items**
