**RELEASE NOTES**   **03 March 2022**

What's new in Version: v3.3.21.4

ENHANCEMENTS:

- **New Discipline – Physiotherapist**

- **Commons Lists: Procedure, Medicine, Consumables, ICD10 and Lab codes**

Consults & Procedures	Consumables	Drugs & Injections	Templates		🔍 ★

BUG FIXES:

- **Virtual consultations: incorrect wording coming up - %stringz_appointmentnew% non bound**

- **Claims Tracker: Scheme liable amount showing 0**

- **Statement Query : Decreased font size**

- **Set Rates: Not allowing to set any rates**

- **ICD10 Search Results - 9 options on fracture were only coming up**

- **Journal report only: Journal report not bringing up line items**
