What's new in Version: v3.4.17.1

ENHANCEMENTS:

- **Payment Arrangements Tool**
- **Statements: ERA reasons and Warnings added to statements**

A screenshot of a software interface for generating statements. It features several toggle controls and buttons. The controls include: "Exclude Payments" with a green slider set to "I" and "Include Payments" to its right; "Exclude Journals" with a green slider set to "I" and "Include Journals" to its right; "Full Statement" with a radio button selected for "F" and "Outstanding Only" to its right; "Summary" with a radio button selected for "S" and "Detailed" to its right. Below these are two more controls: "Exclude Rejection" with a green slider set to "I" and "Include Rejection" to its right; and "Exclude ERA" with a green slider set to "I" and "Include ERA" to its right. A red rectangular box highlights the "Exclude Rejection" and "Exclude ERA" controls. At the bottom are two buttons: "Print Report" and "Go Back".
