**RELEASE NOTES**   **07 October 2022**

**What's new in Version: v3.4.22.2**

ENHANCEMENTS:

- **Patient search on ID and membership number made less specific**

- **Chronic Recall Reminders – Under Practice Prescribing Settings enable recall reminder**
  When billing if you mark the claim as chronic or if a PMB ICD10 code is used, the recall reminder box will automatically be highlighted
  After claim is submitted, SMS detail box will come up for user to set a time when the recall SMS must go through. There are options for 3 months, 6 months, 12 months or a date can be selected
