

RELEASE NOTES

30 November 2022

What's new in Version: v3.4.32.1

**ENHANCEMENTS:**

- **Claims: Modifier 0043 Added**

The screenshot shows a software interface with two main sections: 'Modifier Active' and 'Modifier Details'. The 'Modifier Active' section contains a list of checkboxes for various modifier codes: 0004, 0005, 0008, 0009, 0011, 0018, 0019, 0036, 0043 (checked), and 1211. The 'Modifier Details' section contains a table with the following data:

Code	Description	Qty	Service Amount	Scheme Liabile	Patient Liabile
1812	Laparotomy For Control Of Surgical Haemorrhage	1	1600.00	R 1600.00	R 0.00
0043	Anaesthesia	1	533.33	R 533.33	R 0.00

Below the table is a 'Select All' checkbox and an 'Apply Modifier' button.

- **Claims: Save for later menu added for discipline 18**

The screenshot shows a confirmation dialog box with the title 'Are You Sure' and the question 'You Want To Leave The Bill?'. It contains four buttons: 'Save For Later', 'Save For Later & Repeat', 'Discard And Exit', and 'Go Back'.

- **Reports: New report added – Ability to generate a report only for send later claims**
