

RELEASE NOTES

10 January 2023

What's new in Version: v3.4.37.1

ENHANCEMENTS:

- **Reports: Attending Dr report – filter added to select attending Dr**

The screenshot shows the 'Reports' section of the software. The title is 'Reports Break Down of Claim by Attending Doctor'. There are navigation buttons for Home, Go Back, and Reports. A search bar is present. Below the search bar, there are input fields for 'Start Date' (2023-01-10) and 'End Date' (2023-01-10). To the right, there is a 'Capture' button with a 'C' icon and 'DOS' text. A dropdown menu for 'Attending Doc' is highlighted with a red box, showing 'All Doctors' as the selected option.

- **Patient Search: Medical aid plan added on search results**
