25 May 2022

What's new in Version: v3.4.7.1

ENHANCEMENTS:

- **Claim input: Auth Number block limit opened for private billing**
- **Claim output: Journal reasons and deletion reasons added**

Input Journal Reason in the text box

A screenshot of a web form titled "Record Credit Journals Into Claim Items" in red text. The form contains a dropdown menu labeled "Type" with "Description" selected and a downward arrow. Below the dropdown is a large, empty text input box. At the bottom of the form are two buttons: "Add Credit Journal" and "Go Back", both with red borders and text.

Input Deletion Reason in the text box

A screenshot of a confirmation form titled "Are You Sure" in red text. The form asks, "You Want To Delete The Bill From Patients Account? Please enter a reason for deletion:". Below the text is a large, empty text input box. At the bottom of the form are two buttons: "Delete Bill" and "Go Back", both with red borders and text.

BUGS:

- **Payments: When creating a journal and then reconciling – amount outstanding not displaying correctly - fixed**
- **Reports: Financial Status – Payments received amounts not balancing correctly - fixed**
- **Statement Not generating - Fixed**
- **Patient Search: File ref number search - fixed**
